Perfectly positioned on a large, elevated block in a quiet street just moments to all the action of its vibrant inner-city locale, this beautifully appointed family home offers the perfect balance of classic Queenslander character and quality modern amenity in a premium location. Some highlights of this dream family home include:- Up to six bedrooms with wonderful master suite- Multiple living spaces over two levels- Large, landscaped block with pool and pool pavilion- Huge modern living room with fireplace- Wine cellar

Combining quality, contemporary amenity while retaining its gorgeous original character elements throughout, this future-proof family entertainer has been comprehensively reworked, leaving you nothing to do but move in and start enjoying all the appeals of its fantastic location close to Kedron Brook parklands and bikeways, Days Road cafes and Wilston Village. Housing the primary living spaces, the upper level showcases stunning original features including high ceilings, polished timber floors, French doors, VJ walls, picture rails and ornate ceilings. The open plan dining and lounge room features a stunning fireplace for those chilly nights, and a lovely window seat bathed in ambient light. An additional living room on this level makes a perfect media room, playroom or home office depending on your requirements. The classic white kitchen with stone benchtops and quality appliances has a servery bar to the covered east-facing rear deck, a beautiful sun-lit spot stepping seamlessly out to a sweeping stone patio and large manicured level lawn flanked by established trees. Nestled at the rear of this private sanctuary is a large inset swimming pool and covered pool pavilion, a serene al fresco spot to relax with friends and family while keeping an eye on the kids. The spacious master suite has a big walk-in wardrobe and modern ensuite, while two more bedrooms on this level have large adjoining dressing rooms and share a family bathroom with inset bath. A lovely timber staircase with overhead void leads down to the contemporary lower level of the house. This stylish space houses a huge living room with an impressive inset fireplace and built-in window seat. Providing an incredible teenage retreat or large-scale entertaining space, this room leads to an adjoining wine cellar room, and flows directly onto the picturesque front patio and landscaped gardens. This lower level also includes three more bedrooms, two with built-in wardrobes, plus an additional modern bathroom. This property also features a large laundry, ample storage, ducted air-conditioning, a secure double carport and all the security amenities needed in a modern home such as an alarmed security system & intercom system. With excellent local schools on your doorstep, this family friendly location is also a short stroll to Kedron Brook parklands, bikeways and Days Road cafes, and only moments to Wilston village, Newmarket Road, major arterials and rail transport. All the work has been done on this wonderful family home, fully equipped to see your family through every phase of life in a highly sought-after location that enjoys quiet and privacy while being close to all the action. This is Windsor family living at its best.
