Close to the family friendly beach and local shops, cafes, and restaurants, this spacious four-bedroom home is low maintenance and set on a large 825m² residential allotment. Highly sought, all on one level, with spacious, open plan living, the property has much to offer as a comfortable family home, or holiday destination by the sea. Light and bright, the home begins with two spacious living zones including wood fire heater and split system air conditioner. The kitchen has stainless steel appliances and ample bench space overlooking the dining that steps out to the north facing undercover deck, perfect for sun-soaked entertainment. With four carpeted bedrooms, and modern, updated family bathroom with freestanding bath off the main living areas, and separate toilet and laundry, there is an abundance of space for family and friends. Expansive lawn area lends itself to lazy summer days bordered by established trees and shrubs and sprinkled with flourishing fruit trees and dedicated vegetable gardens. The outdoor shower is a perfect finish to a long day at the beach and essential for seaside living. A double garage, with internal home access high ceiling and built in shelving with separate carport, support the abundant property size and allows for off-street parking. Within walking distance to the picturesque family friendly beach and Cape Woolamai shops and eateries, this spacious family property offers enviable seaside living, central to all that Phillip Island and the magnificent Bass Coast have to offer. A choice of local schools and kindergartens enhances the family friendly area as a permanent sea change or holiday destination, all within ninety minutes of Melbourne CBD.
