Travel to the top of Buckland Court to discover this executive family residence. This four bedroom property has so much to offer and brings comfortable family living to this quietly secluded location. With plenty of north facing windows plus extensive solar panels, the running costs of this property are greatly reduced. Comprising of three living zones that families will love plus a separate office or study. The well equipped kitchen with plenty of storage options adjoins the dining area with a wood fire and built-in shelving. The sunken lounge features beautiful large windows to maximise the sunshine and the outlook. This property has the ambient space to entertain internally or you can utilise the large north facing alfresco area. The home is surrounded by a paved landscaped garden and includes a double garage plus garden shed. The Elliminyt playground, Primary School, convenience store and sporting facilities are located close by. This home is the ultimate in comfortable family living.
