Impeccable best describes this exquisite family residence. Nestled in a tranquil cul-de-sac and positioned across from a lush, natural bushland, this home is ideally suited for those with a growing family seeking additional space. Boasting a formal lounge with a beautiful private leafy outlook and an expansive open-plan kitchen and family room that is drenched in abundant natural light, it offers lovely views of well-maintained lawns and gardens. The property includes a double garage, separate laundry, along with the convenience of two reverse cycle air conditioning units for all year comfort. The home features a grand master bedroom including an attached ensuite and a spacious walk-in robe, while the three other double-sized bedrooms are equipped with built-in robes. Stepping outside, you'll discover a sunlit and privately sheltered paved entertainment area, complemented by a level backyard that is fully enclosed, providing a secure play area for children and pets. Cherished throughout its time, this residence presents itself akin to a newly constructed home.

Features you will love; • Formal lounge plus open plan living and dining • Expansive kitchen with quality appliances & new dishwasher • Grand master bedroom with ensuite and walk in robe • Three large bedrooms with built in robes • Large family sized bathroom • Two reverse cycle air conditioning units • Separate laundry & double garage • 18 panel, 6 kilowatt solar system • 5,000 litre underground water tank • Fully enclosed, level backyard Don't hesitate, call Siena Jackson on 0474 165 080 as an inspection of this property is highly recommended due to its exceptional value.
