Situated within one of the area's most adored streets, only a block back from the Heatherhill Road shops and within walking distance to local schools, this cherished family home promises unlimited scope and exciting future reward. A vast foundation for further enhancement, future development (STCA) or investment, a myriad of potential lies across the flat low-maintenance allotment of 827sqm (approx.), where an immaculate three bedroom home holds a central position. Met with beautifully-preserved proportions and light-letting interiors, the comfortable family abode reflects a refined living experience with decorative cornice, original timber floors and a traditional layout. Capturing an all-day sunshine with a north-facing orientation, dual living zones, a dine-in kitchen of original character and generous study provide the basis for relaxed living and entertaining. Shroud with natural light, a fresh interior paint brightens every zone while original pendant lighting brings character to a crisp aesthetic. With a private rear deck, ensuite access to the main bathroom and an expansive walk-in robe, the master bedroom invites a tranquil retreat, while two secondary bedrooms share in access to a secondary main bathroom. Cradled in low-maintenance gardens with multiple spots to sit and enjoy the outdoors, this charming residential offer (within the FHSZ) comes complete with heating, evaporative cooling and ample off-street parking both front and back.
