Nestled in the sought-after locale of Ocean Grove, this triple-fronted brick veneer home, dating back to the 1960s/70s, boasts a prime location. Conveniently positioned opposite local stores, including a quaint coffee van it epitomizes a charming coastal lifestyle as well as being a short walk to the Main Street. Privately encased in a white picket fence adorned with Lilypillly Trees, the property unfolds as a serene sanctuary. Elevated decks, lush lawns, and thoughtfully placed planter boxes contribute to the overall tranquillity. Step inside to discover a harmonious blend of white walls, cane pendant light fittings, and stunning hardwood flooring that seamlessly flows through the living space. The lounge is adorned with built-in cabinetry, vast windows offering ample natural light, and generous floor space. The dining room, adorned with another cane pendant, opens onto a spacious deck-an ideal spot for entertaining. The kitchen exudes retro charm with white cupboards, timber benches, and display shelving. The three bedrooms feature built-in robes, moody-toned carpeting, and the master bedroom boasts a timber-panelled wall and distinctive lighting. A recently renovated bathroom adds a touch of luxury with a deep standalone bath, spacious shower, beautiful tiling, and a modern vanity. Practicality meets style with a cleverly designed laundry/mud room-a perfect space to drop your bags discreetly. At the rear, off-street secure parking/storage and a timber shed complete this charming package. This property is an inviting blend of vintage charm and modern comfort-an inspection is a must!
