Perfectly suited to older residents, this beautifully presented two bedroom home offers a rare opportunity to secure a home within walking distance to the centre of town. Being very easy care, the home sits on a level 1000sqm block at the end of a quiet cul-de-sac, and has Kingdon Park next door. The home itself consists of a large main bedroom with bay windows, plus a smaller second bedroom. Each bedroom has access to a central bathroom, while a second toilet is also available. A very functional kitchen with electric cooking is just around the corner from the open plan living and dining area, while outdoors the fenced back yard has plenty of room for the grandkids to play.
