Set in a very quiet part of town on a large 988m² block, this lovely quirky home with amazing gardens is an absolute must-see on your list. You'll love the light-filled large lounge with coonara fireplace & built in bookshelves, the cosy kitchen that despite its size is extremely functional, second living area with another coonara fireplace & split system, two bedrooms, family bathroom with spa bath & separate shower, laundry with large storage space and built in cupboards, undercover entertainment area with an outlook to beautiful & established gardens for as far as the eye can see. This fantastic rental property offers a peaceful, quiet & private location yet is also only a short distance away from all that Korumburra offers.*** Please Note that applications will not be processed unless the property has been viewed in person.
