Tucked away in a private lane you will find this warm, sunny two bedroom home. It ticks all the boxes for comfort, style and location. Offering a large open plan living, kitchen and dining room on the top level, which is complimented by a balcony to capture the sunshine. Both bedrooms have built-in wardrobes. The bathroom is large and a separate toilet and laundry are all on the lower level. Other features are the easy-care garden and courtyard for those lovely evening BBQ's. Just a five minute walk to North Hobart cafes, restaurants and State Cinema. Room for two vehicles. Unfortunately pets are not permitted.
