With its distinctive style and spacious proportions, this renovated 3-bedroom gem is perfectly tailored for easy family living on a generous 678 sq. metre (approx.) allotment. Its courtyardside position and fully enclosed boundaries lend to a life that feels away from everything, with a unique bonus for the lucky buyer. An entirely reimagined floorplan is complemented by a crisp white finish and large windows that frame its fully secure bounds, with timber-look floors flowing throughout its spacious lounge and dining area. A dramatic pop of colour emanates from the stone kitchen's tiled splashback, surrounding a host of quality appliances before leading beyond the four walls to a sealed patio connected with a timber servery window. Space goes further than expected with fully fenced boundaries lending the entire expanse of the allotment to child's play, flanked by thriving kitchen garden with all the gourmet touches you need for beautiful everyday dinners. The three robed bedrooms are arranged around a refreshed bathroom and laundry, with the main bedroom offering a spacious walk-in robe. Additional features include a refurbished roof, a storage shed, split-system air conditioning, and the bonus of valid plans and permits for an extended garage, butler's pantry, and covered alfresco area. Don't miss the opportunity to make this your own dream home, moments from St Macartan's and Mornington Park primary schools, Padua and Mornington secondary schools, bus routes, parklands, Mornington Golf Club, and Main Street's cafe scene and boutique shops.
