Built in 1962 and still owned by the same family this much loved holiday home is finally looking for new owners. Completely original with the exception of the bathroom/laundry and toilet which have been upgraded, the two double bedrooms can accommodate 6 guests and there is an old-fashioned "sleep out" with another single bed. To be sold on a walk-in and walk-out basis, this quaint home has a large modern combustion heater and reverse cycle split system air conditioning for all year round creature comforts. With the potential to build a second storey (subject to an engineer's report) the views would be enviable. Enquire now....
