Positioned in a quiet, leafy street, this gorgeous family home offers the ultimate family lifestyle with a spacious open plan living area, pristine finishes, a fantastic master suite, stunning kitchen, heated outdoor spa, and plenty of space to entertain. Cool neutral tones, a fireplace, and a spacious layout create a welcoming ambience as you step into the living area while plantation shutters and an abundance of natural light add to the country feel. The designer kitchen is the heart of the home and showcases quality appliances, pendant lighting, gas stove, stone benchtops, gloss cabinetry, and a large island bench with room for seating. Sliding glass doors open up the back of the home to the covered alfresco area and large backyard; perfect when entertaining family and friends. You can have a barbeque lunch while the kids and pets play on the grass before spending the afternoon relaxing in the heated spa. All four bedrooms are a great size with built-in robes and the master bedroom is a peaceful sanctuary with a walk-in robe and a contemporary private ensuite with a dual vanity. Both bathrooms are immaculate and the main bathroom has a luxurious soaking tub. Situated in a family friendly area just minutes from town, this really is a wonderful place to call home.
