GRAND OPEN SAT 12:45PM - 1:30PM

Named 'Wahroonga' – which is indigenous for our home – this immaculate family residence welcomes you to one of the most beautiful pockets of Wheelers Hill on a private corner of landscaped native gardens. The ranch style design offers a relaxed feel, ready to welcome the next lucky family to its polished, free-flowing interior. North-west facing orientation attracts gorgeous natural light, creating bright airy ambience across the entire home – smartly zoned for indoor-outdoor connection with two covered alfresco areas, and offering the flexibility of study/office with its own entrance. The family bathroom inspires with Travertine style tilework, with a spacious ensuite to the master bedroom to offer families the convenience of two bathrooms. A few surprises include a lush pocket of picnic lawn amid the low maintenance native landscaping, a workshop behind the garage and a versatile rumpus/storage room for potential unit conversion or games room. Among a host of impressive inclusions are prestige Miele kitchen appliances including induction cooktop, ducted heating and cooling, ducted vacuum, open fireplace, ceiling fans, 3500L rainwater tank and solar panels. Brush box fences assure the utmost privacy with the main entrance on Tracey court alongside a double garage, with gated space for a caravan, boat, trailer or extra vehicle. This signature property puts you at the very heart of Wheelers Hill and its cherished parklands, and proximity to schools, shops and sporting venues including Caulfield Grammar, Wheelers Hill Shopping Centre, The Glen, Waverley Netball Centre and State Basketball Centre, Monash pool and beautiful walking and cycling tracks along the Dandenong Creek Trail.
