Constructed in 2010, the home has four carpeted bedrooms with built-in wardrobes, two bathrooms, air conditioning and ceiling fans. The layout matches the needs of a modern family, with the master bedroom and ensuite conveniently separate from the other bedrooms. Set things up your way, with a combined kitchen/dining area that opens to the outdoor deck, and a separate space that can be used for living and entertainment. Outside, the spacious 734 sqm block has an easy, low maintenance garden and you will love the flexibility of a double bay shed in addition to the two-car garage that is attached to the house. The large shed is ideal for extra vehicles but also has the potential to become a studio or workshop. Situated in the heart of quiet Gracemere, this home is only a short drive to Gracemere Shoppingworld. Move right in... there's nothing to do except enjoy making this place your own. - 4 bedrooms, 2 bathrooms, 2 car garage plus a double bay shed - Air Conditioning throughout & ceiling fans and built-in robes in all of the bedrooms - 734 sqm low maintenance block - Internal laundry & outdoor patio - Close to shops & schools
