This property oozes street appeal with steps leading up to the stone arch forming the entrance to this spacious home. The double garage has direct access to the large home office located to the left of the entrance. The master bedroom is to the right and has a timber feature, ensuite bathroom with separate toilet and a large walk in robe. Further down to the left is the home theatre then the hall opens out into a massive open plan living area. Sliding doors lead out onto a huge patio area with blinds fitted. The kitchen is well equipped with plenty of bench and cupboard space. Adding to the living space is a family sized games room that would fit a pool table. This area has a wall of cupboards built in for storage. The minor bedrooms are all double size and have built in robes. These are all located along the West side of the home along with the second bathroom toilet and laundry. The rear yard is well established and features a powered shed. This home is located in a quiet exclusive area close to local shopping and the Wandina school. The home is currently leased and is returning \$610 per week.
