A deep block of land (approx 677sqm) in one of Strathmore premier streets provides the perfect setting for this gorgeous Art Deco home that's been enjoyed by the one family for the past 60 years. Well-presented throughout, the home's light and bright interior comprises two bedrooms (large master) with robes both serviced by a neat central bathroom and separate powder room. Adding to the appeal is an elegant front lounge and adjoining dining room complete with mid-century-style wall unit, as well as a functional kitchen leading through to the rear sunroom. Other highlights include ducted heating, original Art Deco ceilings and solid hardwood/parquetry floors, plus an expansive north-facing backyard with large in-ground pool and garage/workshop via the gated side drive. One of the best addresses in Strathmore, walking distance to local schools (Strathmore SC zone), Strathmore Station and Woodland Street Village, it's also close to popular parks and Moonee Ponds Creek Trail, as well as easy access to Citylink.
