Secluded within the picturesque garden setting of Ellesmore Court, this three bedroom, three bath townhouse offers exceptional potential for carefree living in one of Melbourne's most in demand neighbourhoods. Perfect for spacious downsizing or families wanting a low maintenance hideaway, this is one of only a few, set to the rear and enjoying a northern terrace filled with seasonal colour and alfresco entertaining appeal. The layout is promising, with a north facing lounge and dining room with an open fireplace extending to a sun filled walled garden, perfect for sun filled entertaining. A casual meals domain with access to a second courtyard adds to the appeal, whilst a renovation would benefit the functional kitchen and bathrooms. A choice of main suites headline the accommodation, including the elevated main bedroom with deep roof storage and an adjoining bathroom, whilst features include heating and a double remote garage. Add a contemporary edge and create a luxury abode in a sought after position, within desirable proximity to Yarra's parklands and Melbourne's elite private school belt, with an easy CBD commute by tram or car and a short walk to Kew junction.
