The double garage which has a remote controlled roller door also provides for access into the home through an internal door for convenience and added security. The other bedrooms have built in robes and neutral decor, and are central to the family bathroom, laundry and 2nd toilet of the home. The open plan living/dining room and adjacent kitchen is a huge bonus for the family and visitors as it is perfect for entertaining. Split system a/c, natural gas available to the property and solar panels on the roof all contribute to good family living.
