Discover this amazing Dale Alcock designed 4-bedroom, 2-bathroom plus study residence, poised to satisfy the discerning tastes of today's homeowners. With an additional study, this home caters to both your work and relaxation needs, creating a perfect blend of functionality and elegance. At the heart of this stunning home lies an open-plan family and dining area, anchored by a central kitchen. This kitchen doesn't just serve; it inspires, with stainless steel appliances, a gas cooktop, electric oven, rangehood, and dishwasher, all set against the backdrop of a beautifully crafted island counter with an integrated sink. The pristine tiled floors extend a warm invitation for culinary explorations and memorable social gatherings. Indulge in the seamless integration of indoor and outdoor living as you step through the sliding glass doors to the alfresco entertaining area under the main roof. The large grassed backyard awaits your personal touch, offering a canvas for sunlit brunches or serene evening gatherings. Comfort meets luxury in the carpeted bedrooms, each fitted with robes. The home theater room stands ready to elevate your entertainment with immersive movie marathons and captivating show binges. Designed for year-round comfort, the home boasts ducted evaporative air-conditioning, ensuring an optimal living environment. The double lock-up garage provides secure parking, with the convenience of a short walk to parks, shops, schools, and the bus route. This modern architectural masterpiece, complete with ambient downlights, encapsulates the essence of stylish living. Don't let this unparalleled opportunity to call this standout property your home pass you by.
