Despite being just 5 minutes from Robina and 15 minutes from Surfers Paradise, Worongary has managed to retain its leafy small-town charm and wonderful open green spaces. The Worongary Creek runs through its southern extent, irrigating the lush rolling hills and valleys with water year-round. This is the place for boutique vineyards, farm lets and sprawling homesteads. Residents tend to be executives with families who have chosen quality lifestyle over high-density, higher-paved living. Land is overwhelmingly acreage, and homes are at the top end of the scale.
