Architecturally designed and perfectly orientated on a wide Kialla Lakes bushland block, that runs almost to the Broken River captures unbelievable river gum bushland views. This high class 4-bedroom contemporary residence truly captures the serenity and nature at your back door. The enormous upstairs master suite offers private balcony, floor to ceiling tinted comfort glass and dual WIR. Downstairs kitchen and living areas offer unbelievable views of the majestic river gums that surround the property's billabong, scenic deck and fire pit area below. Bonus home theatre room, above average ceiling height, square set cornice, beautiful red gum staircase, reverse cycle air conditioning cassette units, architecturally designed landscaped gardens, watering system and BBQ sheltered area complete this natural beauty.
