Offering a true sense of sanctuary and created to deliver a carefree lifestyle of modern ease, this divine home is cocooned by layers of leafy greenery and serves up a shimmering lake view from a superb alfresco deck and the pool. Staged over one main floor with a versatile bedroom/retreat, storage and a garage underneath, it is full of charisma and features separate living, dining and family rooms, up to four bedrooms, and two bathrooms, including a spa ensuite. A modernised timber kitchen, a combustion fire and French doors all add a feeling of warmth that makes you feel instantly at home. A prized Eastern Lake Macquarie suburb, Speers Point boasts a magnificent park with a popular café, world-class playground and weekend markets plus the famous foreshore pathway that loops the boat-studded waters. It also enjoys quick access to local schools and eateries, Warners Bay and Glendale, so you never need to venture too far for anything.

- Dual-storey family home, softened by established greenery at the front and rear
- Open-style living with French doors connecting all the social areas
