This stunning parcel of land is simply breathtaking! It is extremely rare to be able to find a parcel of land with the Famous Ninety Beach literally at your doorstep, and this one is an absolute cracker! Fully cleared, gently undulating in contour, fully fenced with gate access and the added bonus of power and tank water already connected. Create your dream home right next to the Fabulous Ninety Mile Beach. Listen to those calming ocean sounds and majestic waves hit the sand. The coastal lifestyle is calling.
