This spacious 4 bedroom, 2 bathroom, Baldivis home is perfect for a family or a group of friends. It has a nice open kitchen, living/family area and dining area. There is also another lounge room - so there is enough room for everyone! The Kitchen is modern, complete with gas stoves, an oven and a dishwasher. It has an island bench which makes it a great space for cooking pizza's with the family! The gardens are low maintenance. The back yard has a built in Patio, along with another lone standing Patio, which makes it a nice space for entertaining guests. The bedrooms are huge and have built-in robes.
