Currently leased at \$1,955.00 PCM till 12/02/2025. Perfect investment property. Created and completed to provide a perfect response to modern day family demands and desires, this inviting family home delivers enduring excellence and elegance throughout. Style that starts with attractive landscaping and an impressive street presence is the defining feature of a design in which four bedrooms and two bathrooms include a substantial main bedroom accompanied by an ensuite and walk-in robe. Built-in robes complement the three additional bedrooms that share the family friendly central bathroom, a separate toilet and full-size separate laundry. The welcoming proportions of the living/dining area flow to the property's low-maintenance outdoor dimensions while an open-plan kitchen features generous bench space, an elegant tiled splashback and 900mm oven. Split system heating/cooling in the living area and ducted heating throughout contribute ideal comfort to a home that's completed by a secure double garage on a corner site that offers second frontage to Thornaby Drive. Proximity to Waratah Park, the Kolbe Catholic College Mickleham campus and Merrifield City shopping further enhances an ideal family address.
