Look no further, this beautiful home is the one you have been looking for! Designed to maximise space and comfort, the home is designed with both the family or entertainer in mind. The kitchen is a perfect size for the amateur chef, with plenty of storage and large laminated bench space, plus all the modern conveniences you would expect. Opening up on to your combined first open-plan living and dining areas, you will be able to entertain guests and family without feeling locked away! All bedrooms are spacious - unlike so many others, the air-conditioned master with ensuite and walk-in wardrobe is at the rear of the home for your privacy. The other bedrooms all have ceiling fans and built-in wardrobes throughout. The backyard is a great size - being located on a 442m² block you have plenty of room for kids to run around in, but not spend all weekend maintaining. Close to shops, public transport and schools, this home has everything you need and more!
