Located in the heart of Watsonia just a short stroll to local shops and all public transport, lies this beautiful freshly painted 3 bedroom home. Polished floors greet your feet as you enter and continue throughout the home. The bedrooms are a good size with the large living room and study adjacent. The kitchen comprises stainless steel appliances with separate meals/dining for all to enjoy. There is a 2nd toilet near the laundry and outdoors you'll find the easy-to-maintain backyard. The expansive front yard is easy and low maintenance with plenty of off-street parking in the large driveway. Other features include - ducted heating, evaporative cooling, high ceilings and so much more - Inspection sure to impress.
