\$740,000

Beautifully positioned on the edge of the town centre overlooking the Historic Forest Creek and the Western Reserve. This tired but charming cottage is ready for a refurbishment or renovation with potential for further development options subject to Council approval. The cottage is set to the rear of a large allotment approx. 1390m² in size with a number of small outbuilding and offers two generous sized bedrooms with open fireplaces, smaller 3rd bedroom with wood fired heater and a galley kitchen. The opportunity to enhance this property in many forms is open to your personal choices and wants.
