Bursting with warmth and character yet elegant with modern touches this wonderful family home sits proudly at the head of a prestigious court location on a huge 2344m² allotment. With panoramic northerly views over the night lights of the suburbs, this home offers so much and delivers even more. Whether you are looking for a lovely home with plenty of space for the family inside and out, or the opportunity to work from home (STCA) in your huge 6 car separate free standing garage with workshop, bedroom & bathroom facilities and 3 phase power which is ideal for tradesman, plus another separate double garage attached to the home. The floor plan of this well-designed home enjoys a mix of zoned and open plan living options including a step-down intimate lounge warmed by the glow of a gas fire, a stunning updated high gloss kitchen rich in granite bench space with adjoining open plan family & meals spilling out to the extensive outdoor entertaining area. The bedrooms are all robed and the master bedroom boasts a walk-in robe, a stunning fully renovated ensuite with double shower & dual vanities and your very own private outdoor parents retreat complete with a relaxing Jacuzzi spa. Evaporative cooling & split system air conditioning, a huge 13,000 litre water tank connected to toilets, solar electricity, alarm, CCTV and a huge concrete driveway with room to park boat/caravan and extra cars off street are just some of the added extras. Situated in a blue-chip pocket and offering an outstanding list of extra features this home ticks all the boxes and offers so much versatility and opportunity now or in the future.
