A Classie Property That Ticks Every Box. Full Of Surprise.

4 Bedroom house with bathroom and on suite. Totally amazing lay out of a house.

Good living area. This house is well thought about. It has been made with love and total hard work. The family that this house been made for is a busy family with little time to do anything. The house has been tiled though out for easy cleaning and up keep. The inside of house been painted in light colours with warmth transferred into every room. Good size bedrooms with built in robes. Also has good insulation and keeps cool in summer and warm in winter. Also, good aircon though out.

There solar power and solar hot water. Plenty of rain water. Don't need to buy water. The grey water is used in garden. The garden been well put together and don't need to water much. Dry land garden with amazing native plants. There a enclose vegie garden with growing house.

Shed that has every man needs. Fit four cars in it. Has toilet there. Also, hobby room. The concrete drive way is amazing, what place to race Billy carts.

Visiting this property well take your beath away. Worth a look. For private viewing or more information call Colin Grant today on 0458 871 625.
