No matter what your preference, all the bases are covered, as the backyard is an ideal area for all the above. Fully fenced, nice and flat and heaps of space. Not only this, but the home is beautifully positioned at the end of the cul-de-sac and dare I say it, in one of the best spots in Bomaderry. Shops, schools, restaurants, Bomaderry Aquatic Centre and Sporting Precinct are within close proximity. The home itself consists of three generous size bedrooms, a formal lounge, family room and dining area. It is indeed a true all rounder. Especially if you are looking at starting out, expanding or quite simply some tranquility. Features include: • 1135 sqm (approx.) flat block of land. • Ensuite to main. • Quiet cul-de-sac. • Reverse cycle air-conditioning. • Outdoor entertainment area. • Workshop space at the rear of the garage.
