A luxurious display of elegance and style, this brand new, 5-bedroom, 5-bathroom home sits on the high side of the street and showcases glamorous proportions and premium finishes in the exclusive Box Hill High School Zone (STSA). Spanning out from the heart of the home, a sweeping central staircase wraps around a shimmering chandelier and allows for easy access through to a glorious formal lounge room where plush carpet adds comfort. Parquetry flooring reflects the home's quality as you stroll through to the open plan dining zone and family room, with the glamour packed kitchen boasting stone benches, a deep island breakfast bench, Miele oven, induction stove and integrated dishwasher plus a 2nd kitchen with gas stovetop. Extending off this space is a sumptuous rumpus room and stacker sliding doors that offer a wonderful connection out onto the alfresco entertaining zone and child-friendly backyard with lush lawns. At the top of the staircase, a leisure room is accompanied by a wet bar, while four of the five robed and ensuited bedrooms rest on this level and include a master bedroom with study, fitted walk-in-robe, Juliet balcony and dual vanity ensuite. Quality finishes include ducted heating/refrigerated air conditioning, high ceilings, chandeliers, alarm plus a double garage with internal access and gated driveway.
