**\$1,100 per week**

This spacious brick residence is an excellent choice. Its prime location is just a short walk from Parramatta CBD, train stations, light rail, the proposed Sydney West Metro, Westmead Public School, Parramatta High School, and the Westmead Public, Private, and Children's Hospital Precinct. The house features several living areas, including a separate lounge and dining area, a rumpus room, and upper-level living spaces with balconies at the front and rear. You can entertain guests in the covered barbecue area, and the oversized backyard is perfect for children to play in. The original kitchen has a gas stove and lots of storage space. This house boasts seven spacious bedrooms, four with built-in robes. There are two bathrooms with high ceilings throughout. It's located on the high side of the street, and there is a four-car lock-up garage. The prime location of this residence also provides easy access to Westmead hospitals, the train station, and the light rail.
