Be the first to live in this superb executive home under construction in the most sought after street in Treendale across from the Brunswick River! Fronting onto Tourmaline Drive with the bush and wetland view directly out from the alfresco area - the perfect spot for a new sunset each night. Thinking of building but don't want to wait years for handover? Walk through your front door within months and enjoy that new home feel! Constructed by McKenzie Gibson Homes, a custom home building company who bring timeless design and building excellence. Be assured with the workmanship and quality being presented. The home sits on 663 sqm with access to the triple garage on Lolite Lane. Featuring a spacious open living area with divine kitchen, 4 large bedrooms, library and study, plus stunning bathrooms. The alfresco faces west to the river and will have landscaping surrounding. For further information please contact Darryl Helms
