NO OPEN HOME THIS WEEKEND You'll find this home in a nice residential area, next to a large attractive park. It's a desirable low set, low maintenance, brick and tile home on a big 603m² block. The open plan, living and dining area is spacious and has an attractive, modern kitchen. It opens on to a large undercover entertainment area, ideal for celebrating with family and friends. With four bedrooms, a bathroom with separate bath and shower, a separate toilet, a large laundry and a lock up garage, this home meets many buyer's needs. The front yard is ideal for those that love gardening or anyone requiring additional space for extra cars, caravan, boat or work vehicles. The back yard is a wonderful space for children and pets to play or to have that dream pool. It's pleasantly surprising how incredibly private this home is. With the park on one side, it backs on to a green easement with a high sound barrier fence providing effective protection from the M2. Adding to the desirability of this home is its location. It's walking distance to childcare, the local school and buses. While only a short drive from shops and the Goodna Train Station. Brisbane CBD is only 35 minutes drive away, with Ipswich Central only 20 minutes. Plus, there is easy access to regional areas, and the Gold Coast. It's important to note that this property has not been affected by previous floods. For potential investor's information- the property will return \$500 per week. Anyone looking to purchase in the area is encouraged to inspect this home. It's presently vacant and ready for its new owners to make their own.
