If you are looking for a sea change, with all the comforts, this modern family home is well worth investigating. Enjoy the lazy sunsets over the stunning water views and breathe in the salty sea air throughout the seasons. Upon entering this immaculate home through the expansive hallway, it becomes apparent that it has been meticulously maintained with its neutral decor, combination of hard floors, carpets and tiling plus open plan living which flows through to an undercover outside entertainment area. The kitchen features modern appliances and an island bench separates the dining area, both open to the large living space, perfect for entertaining and cooking up a storm. All three bedrooms are large with wardrobes, the main featuring a walk-in robe and ensuite whilst the main bathroom has a separate bath, shower and vanity. The laundry is conveniently located in the garage, which has internal access to the home. Outside, the garden is well kept and low maintenance and there is additional off street parking for the extra vehicles. Don't wait for this one! Call us today!
