Bursting with character and modern tweaks throughout, this spacious family home was built with the entertainer in mind. Offering multiple living, dining and entertaining areas throughout as well as an oasis style backyard with large in-ground swimming pool. Additionally, the home features five bedrooms of accommodation, allowing the growing family the space they need. Situated in a central position within close proximity to North Kellyville Shops, Kellyville Village, Metro Station, City buses, quality local schools and childcare centres, family-friendly parks and sports fields and easy access to main arterial roads. Additional features include: * Spacious porch entrance * Large formal living with adjoined family living/dining room * Spacious dining area off the kitchen * Sun-drenched family rumpus room at the rear with views overlooking the garden * Modern, u-shaped kitchen equipped with walk-in pantry, breakfast bar, ample storage and stainless-steel appliances including rangehood, induction cooktop, oven and dishwasher * Guest bedroom on lower level with potential for a study * Guest powder room * Large internal laundry room with built-in bench space * Four additional bedrooms upstairs, three with built-in robes and the master complete with a walk-in robe and modern ensuite * Huge, renovated family bathroom featuring a dual vanity, bathtub and separate shower * Ducted air-conditioning and ceiling fans * Plantation shutters * Spacious undercover entertaining deck with ceiling fan and lighting, overlooking the manicured backyard and large in-ground swimming pool * Storage shed * Double car lock-up garage with internal access * 6.6 KW solar system * Study nook
