## **PRIVATE AND ESTABLISHED IN A QUIET LOCATION**

This 3 bedroom, 2 bathroom brick home is brilliantly located in quiet Kent Court on a large 1,047m<sup>2</sup> allotment. Currently tenanted, this home has been a solid investment for the landlord over the years.

The home features a vast master bedroom with walk-in-robe and ensuite as well as 2 further bedrooms. The large kitchen leads to a central dining/living area and separate lounge creating enormous family appeal. Floor heating and reverse-cycle heating and cooling ensure you are comfortable in all seasons.

The private backyard is perfect for the kids or 4 legged family members with lovely established gardens and trees ensuring the work is already done. A 2 car garage at the back of the home keeps the country appeal of the wrap around verandah to the north and west.

This home won't last long. Contact the team at MRE today to book your private inspection.
