\$650,000

When you want quality, presentation and convenience, this family home is positioned at the end of a quiet court in a family friendly area and is in close proximity to all amenities. Comprising three bedrooms, the master includes a reverse cycle air-conditioner, walk in robe, plus ensuite bathroom, while two further bedrooms include built in robes. Living space consists of a large formal lounge room at the front of the home, which draws the morning sun and plenty of natural light. This is a great space to sit and relax and could also potentially be converted into a fourth bedroom for larger families. The main open plan living zone includes the family room, meals area and kitchen, which also includes a reverse cycle air-conditioner. The kitchen has plenty of bench space, wall oven, electric cooktop & dishwasher and also accesses the undercover outside entertaining area, which is perfect for family gatherings and entertaining. There's also the family bathroom, separate toilet, laundry with direct access outside, along with other features including gas central heating, integrated speakers for your music, and quality window furnishings throughout. Outside is just as impressive, the allotment of 854m² boasting a fully landscaped yard front & rear, the undercover BBQ entertaining area, double garage, plus a 6m x 6m shed which is the perfect workshop, man cave or storage space. And not forgetting the gated side access when you can bring vehicles/trailers into the yard. This meticulous family home is perfect for couples and families, and is located close to Midlands Golf Club, schools, parks and public transport, and a short drive to Northway shopping centre and just 10 minutes into the heart of town. Call Chris to arrange your inspection.
