This property is positioned in a popular coastal area very close to the town centre, school, reserves, walking paths and a short stroll to our wonderful beaches. The delightful home maintains attractive street presence within an established native setting on a low-maintenance allotment. The home features a sunny open plan living and dining area and compact kitchen in original condition with lovely hardwood floors throughout. Three bedrooms with built in robes are located in a separate wing and the home is serviced by a bathroom, separate toilet and laundry facilities with external access. A large solid fuel heater and reverse cycle air conditioning provide climate control in any season whilst a spacious undercover deck area is terrific for alfresco dining at any time of the year. The property would be attractive to those seeking a classic holiday home in a brilliant location or as a permanent residence for a small family, first home buyer or astute investment property.
