“Idyllic Seaside Family Living”

Nestled amongst leafy residential streets, this immaculate three bedroom home boasts a striking monochromatic frontage uniting with neighbouring house-proud properties to invite a sleepy seaside ambience across the entire 1,076m² (approx.) allotment, before opening to reveal an intuitively designed floorplan and luxe quality finishes throughout.

Ample light and space are showcased upon entry of this easy-care home, drawing you from front to back with a generous open plan family domain that sets the scene for seamless entertaining. A spacious lounge, dining and kitchen with a large island bench, stone benchtops and sizeable butler's pantry presents as the heart of the home, before an adjacently positioned secondary lounge offers a peaceful retreat away from the hustle and bustle.

Extending outside to reveal further living and entertaining options, a covered alfresco with cafe blinds presents an ideal space for year-round indoor/outdoor living, whilst an expansive decking with built-in bench seating and barbecue offers the perfect place to host outdoors, watching the kids play in the vast yet low-maintenance backyard.

Off-setting harmonious living, a glorious master bedroom inclusive of stunning ensuite and walk-in robe occupies a private position before a distinct accommodation wing hosts two bedrooms (BIRs), family bathroom with tub, and powder room.

Enhancing appeal, a spacious laundry with side access, plantation shutters, gas ducted heating, dual lock-up garage, single lock-up carport with extended height for caravan storage, and shed storage. Ideally positioned within walking distance to Tooradin Primary School, Tooradin Foreshore; Boat Ramp and a plethora of local shops and cafes, this thoughtfully designed family home delivers an enviable and convenient lifestyle, with everything you need and more.
