This home, for its age, is in immaculate condition, just walking in the door you have the feeling of a home that has been loved and cared for. It has three bedrooms, the main is air conditioned with ample room for king size bed, dresser and tall boy, its walk-through double door robe leads into the bathroom giving the feel of an ensuite. Having an internal laundry leading to the yard is ideal as most modern homes have laundry tucked away in the garage. From the outside, you would not think this home is as large as it is. A separate air-conditioned lounge as well as a dining / family area with a sizable kitchen that will easily fit the fridge and separate freezer and more. The outdoor entertainment area has a brick-built BBQ and is the perfect spot for the family to gather. This property is walking distance to clubs, school, library, doctors and the bay. It has so much more to offer, perfect for the first home buyer or the family looking for a holiday home. Property Code: 1667
