This good sized 3 bedroom property is ready and waiting for the right couple or family to call home. With large open plan lounge/dining/kitchen, the property provides plenty of room for comfortable living, while its tiled timber look floors add to the appeal of the home. As well as the three bedrooms, also located off the hallway is the spacious tiled bathroom which has a generous corner bath and a good-sized vanity. A paved undercover area offers a great space for outdoor entertaining, while the sparkling pool is inviting you to take a cool dip on those hot days. Kailis Park is located to the side of this home, providing another space for the kids to play.
