\$600,000

Escape the madness; come and live in our charming mountain village and wake up to birdsong every morning. This unique tropical property has an excellent location, as it is only three mins drive to Kuranda Village. It is currently the only available 2.05ha (a little over 5 acres) property so close to Kuranda Village with Jum Rum Creek running through the middle, making this area a natural food bowl attracting much of the local wildlife. This property is ideal if you want to become more self-sustainable and is perfect for home hobbies, bees, gardening, organic veggies, chickens, nature photography etc. Property Features:-* Block size: 2.05 Ha

* Town water * Inground pool

* 3

Bedroom House

* 1 Bathroom, separate toilet

* Combined kitchen & dining

* Lounge

* Sun Room

* Recreational patio

* Established fruit

trees (lychee banana, Mangosteen, orange) creek

* Walking track to the

* Space to build another residence

Kuranda was founded in 1888 and has an altitude of approximately 330 metres, a small village that became popular with the hippie crowd in the 1960's and 1970's leaving an artistic & musical legacy, that can still be enjoyed today. Enjoy local markets, fabulous café culture, shops, restaurants, butterfly sanctuary, and bird world all within walking distance. Doctors surgery, post office, library all located within the village. Local primary & secondary schools approx 4 kilometres, Steiner school approx 10 mins drive.
