Nestled in a peaceful tree lined location, this contemporary two storey townhouse with a secure double carport is a brilliant combination of space, convenience and serenity in the heart of the cosmopolitan Hawksburn Village precinct. Natural light beams into the north facing living room through large windows with leafy views over the front garden, creating a warm and inviting atmosphere throughout the entire space. A central kitchen provides excellent connectivity to the separate living and dining spaces and features a long island bench, quality appliances including a dishwasher and an adjoining dining room. From here, step out to the private courtyard and discover its entertaining prowess, natural light from morning until afternoon and access to the rear double carport. Upstairs, a second living area or large study (which could easily be configured into a third bedroom if desired) services two generous double fitted bedrooms including the light splashed north-facing main bedroom with a balcony set amidst the leafy green treetops, generous walk-in robe and skylit ensuite. The second bedroom with built-in robes is served by the main skylit bathroom with bath, while a powder room and European laundry reside downstairs. Additional features include ducted heating, split system air conditioning, solar power and the convenience of all day parking along Sams Way for when friends drop in.
