An extremely rare and exciting opportunity with a blank canvas to build your dream home in the very heart of the trendy township of Beaconsfield Upper. The stunning allotment measuring approximately 4,005m² (1 Acre) is set amongst established native trees, and features mains water and sewer, along with a generous sized building envelope allowing flexibility of home design. Enjoying South-Westerly views across to Port Phillip Bay from the top of the hill, all set on a sealed road. Walk to the township which has every amenity available, head down the hill for a 5 min drive to Berwick or Beaconsfield for train line, premium schooling, and medical facilities. Building allotments of this quality, size and location do not come along very often, so act now.
