Very rarely do houses along the Wimmera River come to the market, especially with the views like 10 Menadue Street. This home has been in the same family for the last 24 years, testament to how tightly held river front homes are. The home features some of the best, uninterrupted, views of the Wimmera River Horsham has to offer. Featuring 2 large bedrooms and a flexible floorplan that would allow for the 3rd bedroom if needed. The main living area is at the front of the home and has the views you will fall in love with. Original, well looked after kitchen with a large St George oven and dishwasher. The second living area could be converted in to a 3rd bedroom if needed. The 6m x 6m brick, double garage offers extra storage. Call Jock or Nicole to organise an inspection.
