Offers over \$375,000

Set on a generous 880m² block this three bedroom brick home is currently tenanted until 15th December 2024 at \$360 per week. The real secret to this property I believe is the land as it does really offer itself up as developable (STCA). Located in the northern suburbs close to schools, public transport and major shopping centre it really should be on your list to visit. Call today.
