Bargen block has hit the market , located 1/2 way down the island in an area thats on the rise with the new homes being build. Town water and power run past the block, a very easy flat block to build on and is priced to sell. With Russell island truly becoming one the most affordable places to live . A great place to build your 1st home or to down size, all the opportunities are there.To view please call GREG ON 0431515295
