Nestled within a serene garden setting filled with espaliered camellias, maples, azaleas, hydrangeas, and rhododendrons, this oasis offers a retreat for those wanting to embrace a slower-paced life or embark on new family adventures. Tucked away in an exclusive and private pocket of the Southern Highlands, it enjoys the seclusion of a less-travelled road while maintaining easy access to Bowral. With the opportunity to infuse your personal touch, we extend an invitation to uncover the charm and potential of this lovely home. Features include: Sunroom with feature windows that create a living picture of the walled garden Brivis central gas heating Woollen carpet Study/Library Master suite with walk-in-wardrobe, ensuite and parent's retreat/family room Back-to-base security system Garden sheds Fully fenced with established hedging
